### **Why the Turkish market?**

- Turkey with a population of 70 million ranks among the world's 20 largest economies.
- In 2004, the Turkish ICT market expected to reach \$11.5 billion.
- Forecasters predict 2004 will see a growth rate of 13 %.
- CeBIT Bilisim Eurasia continues to expand as more and more countries seek business connections with the European and Asian markets.
- This year promises to once again attract the world of ICT products and services to this very lucrative marketplace. Over 160,000 visitors and 850 exhibitors from 55 countries attended CeBIT Bilisim Eurasia last year.
