#19.2007.03.16.fabric.st&rforintradeco

Dear Mr. Priest:

On March 23, Liztex – Textiles Amatitlán, S.A. submitted comments in objection to the above referenced commercial availability petition. We are able to produce the fabric but, not the quantities needed of 300,000 lbs per week. Therefore we don't object to import for next 12 months. We do not object to this item being placed on Annex 3.25 of the Agreement and hereby revoke our objection of March 23.

Sincerely,

José Habie
