*Re: Addendum to Commercial Availability Request
Polyester/Nylon Cut Corduroy Fabric*

Dear Ms. Glas:

On behalf of SPC Global, LLC ("SPC Global"), we are submitting to the Committee for the Implementation of Textile Agreements ("CITA") this addendum to our July 24, 2013 commercial availability request. We are submitting this addendum because we have received an additional response to the due diligence inquiries we made prior to filing the request. Specifically, on July 26, 2013, the National Council of Textile Organizations confirmed that it had not been able to identify a U.S. producer of the requested fabric. A copy of the correspondence is attached. We request confidential treatment of the attachment.

If CITA has questions or requires further information, please contact BJ Shannon at 202-239-3344 or Jason Waite at 202-239-3455.

Sincerely,

/s/ BJ Shannon
