

Mr. Matt Priest, Chairman
 The Committee for the Implementation of Textile Agreements
 U.S. Department of Commerce
 Room H3001A
 14th and Constitution Ave., N.W.
 Washington, DC 20230

Dear Mr. Chairman,

PUBLIC VERSION
RESPONSE IN A DR-CAFTA COMMERCIAL AVAILABILITY PROCEEDING
File Number: 23.2007.06.18.Fabric.GovernmentoftheDominicanRepublic

In accordance with the provisions of Section 203(o)(4) of the DR-CAFTA Implementation Act and the Final Procedures of CITA dated March 15, 2007, **LIZTEX GUATEMALA**, at the location listed below, hereby cites its objection to the above request and certifies the ability to supply with an offer to supply the subject fabrics as listed in ANNEX #1, attached hereto. The list in ANNEX #1 attached is a certification of the ability to produce 26 of the 29 fabrics listed in the Annex of the request to CITA. Furthermore the attached **ANNEX#1** supplies the **Item #, 2007 HTS Number, Quantity (in Linear Meters that can be supplied, Description, and, the past approximate 24 month production (to indicate quantities required can be made in a timely fashion)**. Liztex is a modern Textile Mill with the latest equipment and is the largest in Central America, and it is one of the largest in the Western Hemisphere. The annual production in wide width fabric is approximately 45,000,000 linear meters. The 26 fabrics that Liztex produces totals only 8,664,962 linear meters per Requestor's information and therefore is well within the capacity of Liztex.

It is further noted, that in regards to page 4 in the Due Diligence Section of the Request where reference is made to the contacts with Company: Industrias Liztex, it is confirmed that the original contact was made by a Tina Lin (tlin@strtrade.com) to the e-mail address of textil@liztex.com to Mr. Saul Mishaan on April 27, 2007. This inquiry was answered by Mr. Saul Mishaan on the same date, and he e-mailed as follows:

"Hi Tina: Of all the goods you are asking for, the only ones we cannot produce are number 17, 25, and 27. For more information about our products please visit our website www.liztex.com or call at (502)66336550.

This communication was never answered.

Subsequent to this date Mr. Saul Mishaan e-mailed to Tina Lin the following on May 23, 2007:

"Good morning, please confirm if you receive below message and if you need us to complete information about the fabrics you are interested in." This was in reference to the above e-mail sent on April 27, 2007.

In addition, on May 23, 2007, I, Al Dinunzio, also e-mailed Tina Lin to advise I work for Liztex in the USA and asked that I be included in all correspondence.

I gave my phone: 646-536-8105 and my e-mail address: aldinunzio@liztexnyc.com. These e-mails were never answered on May 25 or at any subsequent date and NO FOLLOW UP was received by anyone at Liztex.

No one at Liztex was ever questioned by REQUESTOR or their representative nor were samples ever requested, nor was fabric quantity provided by phone, e-mail

or fax. Requestor had correct phone Numbers and e-mail addresses as indicated by the above.

Please see **ATTACHMENT #1.**
